SATURDAY 20 MARCH 2010

11.00 am A-Z Compendium on Health + Safety

Performance by David Sherry
Ex-Servicemen's Club, Huntly

'The A-Z of Health + Safety is a compilation of the conversations I have had over the 3 month residency. All the information is anonymous, ranging from plastic cakes to lead pipes.

The A-Z will be a balanced account of Health + Safety looking at the positives, negatives, myths, lies and people's feelings towards its effects on society. This will be a 30 minute reading/ performance accompanied with a new series of projected drawings.'
